## BAIR'S LODGE

SOUTH ANDROS, BAHAMAS

**S**talk tailing bonefish on South Andros island — the first choice of well-traveled anglers pursuing the most productive flats in the Bahamas.

Bair's Lodge is located within striking distance of remote south and west-side fisheries, while also offering wind reprieve across endless miles of flats in the adjacent creeks.

All of our fisheries are reached by skiff, from our mooring at the lodge. No trailering, no stopping for fuel. Our expert guides will run you from the front door to the fish each morning.

When the fishing day is done, enjoy the comforts of our intimate lodge, where fine dining and big-hearted island hospitality await you.
